## *Mr. Christopher Hall*

Christopher Hall has been employed for a short time with the Frederick County Sheriff's Office – Corrections Bureau as the Technology Administrator. He began his career on March 5, 2018. Within this short time, he has excelled in moving the Corrections Bureau into the future with regards to utilizing technology to improve the overall efficiency of the Corrections Bureau.

During 2019, Mr. Hall not only completed his regular duties but he took on the following projects to ensure that the facility and staff are functioning at their highest level of efficiency: updated the video monitoring system in the Central Control Center; updated approximately 180 computers from Windows 7 to Windows 10; worked with IIT and other county law enforcement agencies on the Inmate Jail and Police Records Management System upgrade; completed the upgrade to a new METERS/CJIS system for computers; configured and tested the use of video conferencing between Mental Health professionals and the inmate population, began the use of Telepsychiatry in the Detention Center; upgraded all monitors to ensure compliance with IIT standards; upgraded desktop computers on the command posts for better monitoring of the inmate population; upgraded the electronic door security; began the upgrade of all perimeter cameras; worked with County IT, DPW, and an architect on an upgrade of the Central Control Center and is the project leader; assisted in setting up the computerized GED program for the inmate population; was picked by IIT to be a member of the SharePoint Upgrade Committee and he is a member of the Public Safety User Group.

He has brought an extensive knowledge of computer and technology related experience to the agency. He has an easy going demeanor and is always positive. He explains complicated IT projects in common language so the lay person can understand the problem. He is always available for any technology related issues during his time away from work and takes calls even in the middle of the night. Mr. Hall is respected, knowledgeable, increased the agency's knowledge in technology tenfold, and is just an all-around nice guy.

Mr. Hall is an asset to the Frederick County Sheriff's Office - Corrections Bureau and is well deserving of receiving this year's Maryland Correctional Administrator's Association "Correctional Employee of the Year" award.

  
Lt. Col. William V. DeLauter  
Chief, Corrections Bureau
