2020 Calvert County Detention Center

Corrections Deputy of the Year

Senior Corrections Deputy Robert Scott began his career on August 6th, 2007. Since his hire, he has been a very effective floor deputy and has excelled at numerous assignments. SCD Scott has been a Booking Administrative Officer since 2010. He has performed admirably at this position and is considered one of the best by his co-workers. Due to his wealth of knowledge, his supervisors appreciate his ability to work safely and independently at this very responsible assignment. SCD Scott remains calm under pressure and handles the extreme work load of booking very well. He goes above and beyond his routine duties on a daily basis. On top of his assigned duties, he also conducts sick-call and mental health visits. He coordinates the movement of inmates to ensure there is minimal wait periods from inmate to inmate. This allows the facility to operate efficiently and effectively.

SCD Scott has made numerous suspect identifications for Calvert County and the surrounding Counties wanted posts leading to several felony arrests. SCD Scott makes himself readily available to assist in any way he can, even while off duty. This is a true testament to his dedication to our facility.

SCD Scott refuses to leave work behind for others and ensures that all of his tasks are completed before he leaves for the day. SCD Scott is assigned to the most vital, safety/security-oriented area of our facility and handles his duties responsibly and with utmost attention to detail. He is very dedicated to the overall operation of the Corrections Bureau and has been instrumental in procedural changes resulting in safer and more efficient work practices.

The Calvert County Detention Center is proud to recognize Senior Corrections Deputy Robert Scott as our 2020 Corrections Deputy of the Year.
